

International Passenger CPC (UNIT 7 ONLY)*

Who should attend

All holders of Standard International Passenger operator licences are required to be professionally competent, or employ someone who is professionally competent. The most popular method of demonstrating this is to hold an International Passenger Certificate of Professional Competence (CPC).

Course content

- Operator licensing
- Insurance
- Drivers' hours and records
- VAT
- Motor vehicle tax
- Tolls and international charges
- Costing including taxes and pricing
- Invoicing
- Occupational regulations
- Importance of state groupings
- Organisation of the market
- Transport plans
- EU road network
