

# FTA Certificate – LGV (HGV) Driving Assessment and Corrective Training

Our instructors have been professionally trained and are DSA/RTITB registered as driving instructors.

## Who should attend

This course is designed to train candidates to be able to carry out driving assessments and corrective training for lgv (hgv) drivers. Courses can be customised to accommodate internal customer requirements to ensure that maximum safety benefits are achieved.

## Key benefits

This programme focuses on the practical aspects of driver assessment and corrective training and can prove an extremely cost effective way of cascading training throughout a company. This ensures drivers are taught about driving safely and responsibly, with consideration of their fuel economy and other road users.

Delegates who successfully complete the course will be certified by FTA for four years.

## Course content

- An awareness of driving assessment reports
- Record keeping
- How to mark assessments
- Instructional techniques report
- Practical driving techniques
- Dealing with negative driver skills and behaviours
- Carrying out transport risk assessments
- Communicating safety performance and implementing improvements
- Fuel efficient driving

Each delegate will receive a copy of the LGV (HGV) Driving Manual and a current copy of the Highway Code.
