

LGV (HGV) Driver Awareness

Our instructors have been professionally trained and are DSA/RTITB registered as driving instructors.

Who should attend

This course has been specifically designed for drivers of heavy/large goods vehicles who would benefit from general compliance and best practice training.

Key benefits

Delegates can study subjects including fuel economy, drivers' hours and records, overloading, safe loading, drivers' daily checks, transport law, accident and breakdown procedures, dangerous goods and loading and unloading restrictions. The course content can be tailored to suit your company's specific requirements.

Course content

In addition to the above our classroom-based road safety course can cover:

- An awareness of defensive driving techniques
- Vehicle condition
- Driver awareness
- Highway Code
- Procedures at breakdowns
- Customer care

Venue/dates

This course is delivered in-company. Please call 08717 11 22 22* to discuss your training requirements.
