

Train the Trainer – Yard Shunter

Our instructors have been professionally trained and are DSA/RTITB registered as driving instructors.

Who should attend

This course is designed to provide the necessary training for those responsible for training others in manoeuvring lgv's (hgv's) around the company premises and off-road parking areas. Candidates should already have successfully completed the Yard Shunter course.

Key benefits

This course provides the training to enable candidates to train internal employees in the skills of yard shunting, and can prove an extremely cost effective way of cascading training through a company and improving safety around the premises.

Course content

- Vehicle checks
- Trailer and ancillary checks
- Basic forward driving techniques in the company yard
- Basic reversing around the company
- Teaching practices
